WHAT'S HAPPENING?

BEFORE THE UPGRADE

Here's what to know

Download your Bill Pay History before August 7. Your payment history will not transfer to the new system

Payees you've made payments to within the last 180 days will transfer to the new system

Any new payees added after August 1, 2026 will need to be added again after the upgrade

Payments scheduled through August 14 will process as scheduled

Any payments scheduled after August 14 will not transfer and will need to be scheduled again after the upgrade.

DURING THE UPGRADE

A few Important things to note

Bill Pay will be unavailable from August 10 through the morning of August 17

During this time, you will not be able to:

- Schedule new payments
- Edit or cancel payments
- View your Bill Pay History
- Access your Bill Pay History
- Access Bill Pay through Online or Mobile Banking

Your debit cards will continue to work during Upgrade Weekend within temporary stand-in limits.
